Cotangent Examples with SimBraille

1. The cotangent of 30 degrees is written\[\cot 30^\circ\]
\[\cot \text{ } \frac{\pi}{6}\]

2. The cotangent of open fraction $\pi$ over four close fraction equals one is written\[\cot \frac{\pi}{4} = 1\]
\[\cot \text{ } \frac{\pi}{4}\]

3. The cotangent of $x$ is equal to open fraction one over the tangent of $x$ close fraction is written\[\cot x = \frac{1}{\tan x}\]
\[\cot x \text{ } \frac{1}{\tan x}\]

4. Cotangent squared theta plus one equals cosecant squared theta is written\[\cot^2 \theta + 1 = \csc^2 \theta\]
\[\cot^2 \theta + 1 = \csc^2 \theta\]
