

Cotangent Samples with SimBraille

1. The cotangent of 30 degrees is written

$$\cot 30^\circ$$

2. The cotangent of open fraction pi over four close fraction equals one is written

$$\cot \frac{\pi}{4} = 1$$

3. The cotangent of x is equal to open fraction one over the tangent of x close fraction is written

$$\cot x = \frac{1}{\tan x}$$

4. Cotangent squared theta plus one equals cosecant squared theta is written

$$\cot^2 \theta + 1 = \csc^2 \theta$$
